Kids' Time Stories!

Kids' Time Bible Stories are five exciting stories that teach the truth from God's Word. Enhanced with music and sound effects, the Bible Characters come alive for kids of all ages.

Kids' Time Everyday Stories both entertain and reach felt needs where kids are today. Based on Biblical principles, these ten stories encourage children in obedience, good stewardship, salvation, relationships with others, dealing with the death of a grandparent, anger, self-discipline and moral issues. Parents will benefit from listening, too, and discussing the stories with their children.

Story Line Ministries provides stories for school-age children from about age 5-12.

Storyteller Jennie Dimkoff captures the attention and reaches the hearts of her young listeners. Ideal for family devotions or for listening in the car while traveling.
